

I would like to protest against the LPFM service as this will greatly affect the FM translator service used by my favorite station K-LOVE. K-LOVE is extremely important to my community and most importantly to my family. It is the only station I allow my children to listen to. If K-LOVE were to be displaced by an LPFM broadcaster there would be a tremendous void in our lives. K-LOVE provides many wonderful services to their listeners and many other lives would be also be adversely affected if K-LOVE was no longer on the air. I plead that you not allow the LPFM stations to take priority over current FM translator service. I do not want to be without K-LOVE. Thank you.
